St. Paraskeva - Troparion
(Oct 14/27)

Soprano

You loved the silent and solitary life,

and fervently followed Christ your Bridegroom.

Having taken His easy yoke in your youth,

and having manfully armed yourself by the Sign of the Cross

against your spiritual enemies;

Through ascetic labors, fasting and prayers,

and by your tears, you extinguished the

coals of passions, O glorious Paraskeva.
And now as you stand in the heavenly bride chamber of the wise virgins in the presence of Christ, pray for us who venerate your precious memory.

St. Paraskeva - Kontakion

Resanovic

Serbian chant : Tone 6

Let us all sing hymns to Saint Paraskeva,

a protector of those who are in peril.

She forsook the life corruptible

and gained the one which is incorruptible;

wherefore, by the will of God, she was granted glory

and the power to perform miracles.

God is wonderful in His saints,

the God of Israel!
